

Tool Lending Library Temporary Closure During Demolition & Construction of the New South Branch

February 2012

The Tool Lending Library at 1901 Russell Street will relocate temporarily to allow for demolition and construction of the New South Branch.

This is a momentous occasion for the Berkeley Public Library and all of us in the City of Berkeley. We extend our thanks and appreciation to everyone for their support of Measure FF and, since that time, participation in the design process which has brought us to this milestone.

Some important dates to keep in mind:

Friday, February 17, 2012 — The Tool Lending Library will close at the end of the day. All tools must be returned to the tool library prior to Friday, February 17, 2012.

Tuesday, March 20, 2012 — Temporary Tool Lending Library opens at 2547 8th St (Sawtooth building, between Dwight and Parker).

The Temporary Tool Lending Library will be open in this location until the New South Branch opens, projected for Spring 2013.
