

The Berkeley-East Bay Gray Panthers Present the
New Deal Film Festival!

A Trip Down Memory Lane ... the 1930s ...

*In 2008 we celebrate the 75th anniversary of **Franklin Delano Roosevelt's New Deal**. In recognition of FDR's accomplishments and vision, we show films from the 1930s-Work Projects Administration (WPA), National Recovery Administration (NRA), Tennessee Valley Authority (TVA), and other programs and projects.*

*Film dramas of the period include Blitzstein's **CRADLE WILL ROCK** about a New York WPA theater project, and Steinbeck's **GRAPES OF WRATH** showing the midwest dust bowl and its refugees to California.*
