GERI TAECKENS JOURNEY TO ACCEPTANCE

Come listen to this enthusiastic powerful speaker as she unfolds the essential elements of accepting oneself and others.

Geri has a way of captivating her audience as she tells her story of personal journey, which includes her struggle with losing vision depicted in her autobiographical novel, "Blind Man's Bluff!" Find out how taking risks and pretending to be what she was not temporarily helped her fit in. Allow her to touch your heart, as she liberates your emotions through her interactions and songs. After all, everyone can relate to the struggle of being different and the desire to be accepted and loved.
