

**Please Return Your Library Materials –
Books, CDs, DVDs, cassettes, videos, and other materials--
After Library Holidays**

- **Fines will not accrue, and you will get two days beyond the closure for free to read, listen, or watch. Excellent!**
- **It takes us longer to get materials back on the shelf if they are returned all at once. Help us by returning the day after.**
- **For more information, call 981-6100 or 548-1240 (TTY).**
