

Help us design one of our new Library cards!

The Berkeley Public Library will be retiring the current library card designs and releasing 4 new ones soon! Three of the new cards have been designed already, but we need a little help on the fourth.

So...we're having a contest!

The contest is open to all patrons with an active Berkeley Public Library card. The theme is, "Berkeley!" We want images that epitomize Berkeley to you. Entries can include photos, drawings, and paintings. All entries must be submitted digitally.

For rules and entry form visit: www.berkeleypubliclibrary.org

**Submissions will be accepted between
April 8th and April 14th**
